<Hours per week represents periods of instruction and/or work-based learning hours per week (class hours). Additional time may be required outside of class to complete assignments. For more details on what you can expect outside of class, please see the "Expectations Outside of the Classroom" section of the Student Handbook.

\*Hours/week calculated utilizing 50-minute hours. 50 minute hours are divided by hrs/week to the nearest whole number.

\*\*60 Minute hours are based upon WTCS approved hours. Courses are scheduled using the full 60 minutes vs. only 50 minutes.

The full 60 minute conversion is calculated by 50 minute hours x 60 / 50, however, only scheduled up to the WTCS approved hours

*Please be advised that low enrollment class sections may be canceled. You will be contacted by Student Services with information on other class sections available in alternate formats.*

**GRADUATION REQUIREMENTS:** *Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements. If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements.*

*A program plan GPA of 2.0 in a 4.0 grade system is required to graduate. A grade point of 2.0 or better is needed in all required courses.*
