↗This class is offered On Site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

ΩA work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, and may vary in hours and length.

! Students will be auto enrolled in this section based on the specific clinical section selected.

ΔClinical times and locations may be subject to change

Please be advised that low enrollment class sections may be canceled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
