Welcome to Northwood Tech's Spring 2025 Continuing Education catalog. Inside you will find a variety of informative and exciting Professional Development and Life & Leisure courses, designed to enhance your learning experience. Courses are offered in a variety of instructional formats, including:

### On Site

These courses are offered in person at a variety of campus locations throughout the district, providing face to face instruction and interaction with the instructor.

### Online Live

These courses are offered during a specific time period that can be accessed from your home or office computer or tablet using free web-conferencing software. You will receive log-in information about 1 - 3 days prior to class through the email address you provide when you register. Your computer must have a reliable internet connection, microphone and camera. You can interact with the teacher during the class.

### Online

These courses are offered via the Internet and accessed by using a web browser. You can access the course at any time. Offline supervised tests/exams at specified sites may be conducted in conjunction with these courses.

## It's Easy to Register! ONLINE | PHONE | MAIL

## Gardening & Landscaping

### Garden U **NEW!**

47-001-415

Explore sustainable gardening practices to adapt to changing climates, from understanding zonal shifts to cultivating resilient landscapes. Learn the importance of native plants for supporting pollinators, eco-friendly approaches to pest control, and essential pruning techniques for healthier trees and shrubs. Coordinated by the St. Croix Valley Master Gardeners, this session will equip you with tools for a thriving, future-focused garden. The fee includes conference materials, lunch, and access to the vendor show.

MC164 Mar 15 Sa 8a-3p \$55/\$40.05  
*New Richmond Conf Center Guest Presenters*

Save the travel and attend online live via Zoom! Please register for Garden U via our brand new Continuing Education online registration system by visiting [bit.ly/gardenu2025](https://bit.ly/gardenu2025)

MC165 Mar 15 Sa 8a-3p \$55/\$40.05  
*Online Live Guest Presenters*

### Spring Garden Expo

47-001-415

Join us at the Spring Garden Expo in Rice Lake for a day of inspiration and learning, perfect for both new and seasoned gardeners! Sponsored by the Barron County Master Gardeners, you will hear presentations on topics including pruning, ecosystem restoration, plant behavior, and general gardening wisdom. Don't miss this chance to grow your gardening knowledge! A hot lunch and snacks, vendor show and conference materials are included. Please register for this class at [bit.ly/gardenexpo2025](https://bit.ly/gardenexpo2025)

## Real Estate

### Real Estate Broker

47-194-497

This course meets the 72 classroom hours required and covers the items needed to pass the broker license exam. Topics include a review of license laws, trust accounts, broker supervision rules, real estate forms, office management, and other aspects of becoming a broker. The course includes a practice exam. You will have access to the broker videos for one year from signing up for the course. Our instructors are committed to helping you get your license. Please note that regardless of the date you sign up, you must complete it by May 31, 2025. If you are signing up closer to that date, consider waiting for the next session of classes. Upon registration, you will receive a password to enter the online REI course and will then receive your textbook and forms book via US Mail. To register, email [Sara.Dobberschutz@Northwoodtech.edu](mailto:Sara.Dobberschutz@Northwoodtech.edu). \*This class is non-refundable.

25300 Dec 21-May 31 24/7 \$274.10/\$5  
*Online Ron Nyhus*

**Real Estate Law for Salespersons**

47-194-497

This course meets the 72 classroom hours of pre-license education required for a real estate salesperson license as required in Section 452.09(2)(a) of the Wisconsin Statutes. Completing this course will prepare you for the WI Real Estate license exam. Contents include principles of real estate, real estate law, forms, real estate business operations concepts, ethics, land use control and development, environmental concerns, and miscellaneous additional content. You will have one year to complete this course. Please note that regardless of the date you sign up, you must complete it by May 31, 2025. If you are signing up closer to that date, consider waiting for the next session of classes. Upon registration, you will receive a password to enter the online REI course and will then receive your textbook and forms book via US Mail. To register, email Sara.Dobberschutz@Northwoodtech.edu. \*This class is non-refundable.

25302 Dec 21-May 31 24/7 \$274.10/\$5  
*Online Ron Nyhus*

**COMPUTERS & TECHNOLOGY****Office Productivity****Getting Started with Google Workplace**

More and more businesses are switching to Google Workspace for their business documents and communications. In this course, you will get experience with nine great Google apps for business and personal use, including Gmail, Docs, Sheets, and Slides, and learn how they all work together in a seamless suite. Ed2Go is the online delivery platform for this class and all tech support and class assistance is handled directly through Ed2Go. Register and pay via Ed2Go at <https://www.ed2go.com/northwoodtech>

N/A Start dates vary \$149  
*Online Ed2GoStaff*

**MS Excel Essentials**

47-103-401

This 4-session class includes the full Microsoft Excel series, including navigation and setup, formatting text and data, formulas and functions, and analyze and chart data. See individual class descriptions for full details and topics covered.

25590 Mar 25-Apr 15 T 10:30a-12:30p \$65/\$35.10  
*Online Live Gideon Mayhak*

**MS Excel: Navigate & Setup**

47-103-401

This course will cover a variety of topics on navigation and setup of workbooks and worksheets, such as: select cells and ranges, plan and create a workbook, resize columns and rows, copy and paste formulas, move or copy cells and ranges, create patterned text with Flash Fill, add cell borders and change font size, change worksheet views, prepare for printing and more.

25598 Mar 25 T 10:30a-12:30p \$19/\$11.52  
*Online Live Gideon Mayhak*

**MS Excel: Format Text & Data**

47-103-401

The focus of this course will be formatting the text and data of your Excel workbook. Learn to change fonts and font style or color, add fill colors and background images, create formulas to calculate sales data, format numbers as currency and percentages, format dates and times, use the find and replace functions, change themes, merge a group of cells, apply cell styles, use the average function, copy and paste formats with Format Painter and more.

25599 Apr 1 T 10:30a-12:30p \$19/\$11.52  
*Online Live Gideon Mayhak*

**Safety Day**

Learn about a wide range of safety and health related topics.

**Apr 8 | Rice Lake | Pg 14**

**MS Excel: Formulas & Functions**

47-103-401

Learn about the powerful tools to perform calculations with formulas and functions in Excel. Topics in this course include: translate an equation into a function, calculate with dates and times, extend data and formulas with AutoFill, calculate statistics, Quick Analysis toolbar, Function Library, absolute and relative cell reference, logical function, data with lookup tables, and what-if analysis with Goal Seek.

25601 Apr 8 T 10:30a-12:30p \$19/\$11.52  
*Online Live Gideon Mayhak*

**MS Excel: Analyze & Chart Data**

47-103-401

Learn to analyze data with charts, which are graphic elements that illustrate data. Specific topics in this course include: create a variety of chart styles (pie, line, scatter, combination), format chart elements, work with chart legends, edit a chart data source, create a data callout, insert shapes and icons into a worksheet, use a data bar and sparklines.

25603 Apr 15 T 10:30a-12:30p \$19/\$11.52  
*Online Live Gideon Mayhak*

**Spring Garden Classes**

Don't miss these two incredible opportunities to enhance your gardening expertise!

**Garden U | March 15 | New Richmond**

Dive into sustainable gardening practices, from zonal shifts and native plants to eco-friendly pest control and pruning.

**Spring Garden Expo | April 5 | Rice Lake**

Discover tips on pruning, ecosystem restoration, plant behavior, and more.

**Pg 3**

**HEALTH & HUMAN SERVICES**

**Caregiving & Human Services**

**Ethics & Boundaries**

47-520-405

Ethics, Boundaries & Rural Social Work Practice. This four-hour workshop will discuss the specific challenges and considerations with ethical social work practice in rural settings. As technology connects more people in different ways, maintaining privacy and healthy boundaries can be increasingly challenging. We will discuss healthy boundaries, dual relationships, and use the NASW Code of Ethics and Reamer's Ethical Decision-Making Model to assess the ways technology and rural social practice intersect. Please register for this class via our brand new Continuing Education online registration system by visiting [bit.ly/ethicsandboundaries2025](http://bit.ly/ethicsandboundaries2025)

## Lifelong Learning

### ACT Prep

42-890-415

Prepare for the ACT assessments with professional instruction specializing in grammar usage review, time management for reading comprehension passages, math, science, and test-taking strategies. In session one, students will focus on English usage and mechanics, including punctuation, grammar, word usage, and sentence structure, as well as rhetorical skills such as style, strategy, and organization. In session two, they will review four types of reading passages, including literary, humanities, natural science, and social studies. Assessed skills will include recognizing cause and effect, identifying main ideas and details, understanding sequence, comparing and contrasting, interpreting words and phrases in context, making generalizations and inferences, and drawing conclusions. Session three will prepare students to recall scientific content, including data interpretation, scientific investigation, and evaluation of models, inferences, and experimental results. In session four, students will practice algebra, functions, geometry, statistics, and probability, integrating essential skills, numbers, quantity, modeling, and trigonometry.

## Hatha Yoga

60-807-628

Hatha Yoga is a very gentle style of yoga that combines stretching (postures) with breathwork and meditation to connect you to all parts of yourself. A few benefits include improved flexibility, mobility, strength, circulation, relaxation, balance, and energy. Yoga helps bring awareness and trust to your body, calmness to your restless mind, and joy to your spirit. Please bring your mat, a blanket, two yoga blocks, and a 6-8 foot strap. Please check with your physician before starting this or any other exercise class. This class is online using MS Teams. You will need reliable internet service, a microphone, and a camera. Register for this class via our new Continuing Education online registration system at [bit.ly/northwoodtech\\_yoga](https://bit.ly/northwoodtech_yoga)

## Yin Yoga

60-807-628

Yin Yoga is different from more energetic yoga styles. Instead of generating heat and strength through movement, Yin Yoga emphasizes gentle stretches that are held for longer periods. These stretches specifically target the deeper connective tissues of the body, encouraging relaxation and mindfulness. Practicing Yin Yoga can result in numerous benefits, including increased flexibility, reduced stress, and improved sleep quality. You will need household items such as blankets and pillows for props. Register for this class via our new Continuing Education online registration system at [bit.ly/northwoodtech\\_yoga](https://bit.ly/northwoodtech_yoga)

## Emergency Medical Services

### ASHI Pediatric 1st Aid/CPR Renewal 47-531-417

ASHI Pediatric CPR, AED, and First Aid training program provides an ideal training solution for schools, child care providers, youth sports coaches, and others required to learn how to respond to medical emergencies involving children. This versatile program is based upon the 2020 CPR and First Aid Guidelines, Caring for Our Children, 3rd Ed; and other evidence-based treatment recommendations.

## Leadership 101 | Pg 4

Don't miss this interactive workshop designed to provide emerging leaders with the foundational skills and tools to develop a leadership style that motivates and empowers teams.

**ASHI Pediatric 1st Aid and CPR**

47-531-420

This course will help students gain the knowledge, skills and confidence necessary to respond to and manage medical emergencies involving children and infants until more advanced help is available. A student will be taught the updated guidelines of CPR, and an automated external defibrillator (AED), and first aid for children and infants. This course will certify a student for 2 years in CPR/AED/First Aid. Students will have the option to download a book from the internet after successful completion of the course.

25395	Feb 15 <i>Superior: 136</i>	Sa 8a-4:30p	\$48.15/\$18.25 <i>Instructor TBD</i>

**BLS Basic Life Support**

47-531-437

The BLS Basic Life Support Course is designed to teach the skills of CPR for victims of all ages including ventilation with a barrier device and use of an automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a hospital setting and out-of-hospital settings. This course is for anyone that is required to take a health care provider course for employment. All participants who successfully complete the course, including the written examination and skill demonstrations will receive a BLS Basic Life Support provider completion card that will certify them for two years (credential.) Book provided at class.

# TRANSPORTATION

## Commercial Driving

### CDL Class B 1

47-458-407

Professional drivers are responsible for the safe and efficient delivery of goods. This course will prepare you for that through a driving simulator and behind-the-wheel activities. The course includes an introduction to the industry, vehicle inspections and systems overview, safe driving techniques, cargo documentation and employer/employee relations. The Class B license does not allow a driver to operate tractor-trailers or other combination vehicles. A student must have their Class B permit before starting this course. Please contact [Sara.Dobberschutz@northwoodtech.edu](mailto:Sara.Dobberschutz@northwoodtech.edu) for information and registration.

### CDL Permit Prep Online

47-458-405

Study online at your own pace for the written Commercial Driver's License Permit test. This is applicable to Class A or Class B students. Are you interested in obtaining your Commercial Driver's License? Did you know that before learning how to drive a rig, you need to get a learning permit?

Ensure that you are better prepared before attempting the CDL test when you visit your local DMV service center. If you prefer to learn with a schedule convenient for you, Northwood Technical College also offers an online option. Receive links to WI Commercial Driver's Manual (WI CDM), suggested readings and study aids, and sample tests which will help prepare you for the CDL Permit Exam. There are no deadlines other than you must be completed with all tests and activities before the end of the academic semester.

25289	Dec 21-May 31	24/7	\$69/\$16.67
	Online		George Meierstein

### Haz Mat Endorsement

47-458-412

This course meets the FMCSA standards for ELDT theory education for Haz Mat. Completion deadline is the end of each semester. If you are registering toward the end of the semester, consider waiting for the next session.

25294	Dec 21-May 31	24/7	\$49/\$19.10
	Online		George Meierstein

### Truck Driving Theory

47-458-410

This course meets the FMCSA standards for ELDT theory education for Class A and Class B vehicles. Completion deadline is the end of each semester. If you are registering toward the end of the semester, consider waiting for the next session.

### Motorcycle - Basic Rider 2

42-816-401

The Basic Rider Course-2 (BRC2) is a one-day (8 hour) class for riders who have their own motorcycle, have been riding for one to three years, and have accumulated 3000 to 5000 miles on their current motorcycle. If a rider does not as yet have their Wisconsin Class M Endorsement, they may still participate on a Wisconsin motorcycle Instructional Permit. This course also serves as a license skills test waiver in Wisconsin. For pre-class instructions and registration, visit [bit.ly/northwoodtech\\_motorcyclesafety](http://bit.ly/northwoodtech_motorcyclesafety)

### 3-Wheel Basic Rider Course

42-816-404

The MSF 3-Wheel Basic Rider Course (3WBRC) is a basic, entry-level, learn-to-ride 3-wheel motorcycle (3WMC) training and education course. It provides fundamental skills similar to the MSF Basic Rider Course but on 3-wheel, 3-track motorcycles (not motorcycles with a sidecar or car-based motorcycles). 3WBRC Rider Coaches who have been trained and certified by the MSF conduct the 3WBRC. For pre-class instructions and registration, visit [bit.ly/northwoodtech\\_motorcyclesafety](http://bit.ly/northwoodtech_motorcyclesafety)

## Traffic Safety

### Traffic Safety for Point Reduction

42-812-404

Examine driving behavior and review traffic laws and penalties. Emphasis will be placed on ways to drive responsibly. Learn how to develop a change plan to reduce the risk of traffic violations and crashes. Successful completion of this course may provide a three-point reduction from participant's driving record. Class also meets the requirements for those with a "Failure to Yield Right of Way Violation" 2011 Wisconsin Act 173-346.18.

## REGISTRATION POLICIES

### Nondiscrimination Notice

Northwood Technical College does not discriminate on the basis of race, color, ancestry, religion, sex, service in the uniformed services, veteran status, national origin, age, disability, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, AA/EEO Officer/Title IX Coordinator/Associate Vice President of Talent and Culture. 1900 College Drive Rice Lake, WI 54868, 715.645.7042. Wisconsin Relay System TTY:711. [Amanda.Gohde@NorthwoodTech.edu](mailto:Amanda.Gohde@NorthwoodTech.edu)

### Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, A/EEO Officer/Title IX Coordinator/Associate Vice President of Talent & Culture at 715.645.7042, 30 days in advance of needed assistance.

### Senior Fees

Northwood Technical College has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Students age must be 62 plus at the start of the term. Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$5 for many courses.

## KEEP ON TRUCKIN' **Truck Driving | Class B | CDL Permit Prep**

Take the wheel! There's a high demand for professional truck drivers. Northwood Tech can help you earn your commercial driver's license. Professional truck drivers are responsible for the safe, efficient delivery of goods between locations. Spend time behind the wheel learning how to maneuver trucks in a variety of real-world scenarios. You will develop backing and driving skills through classroom, lab, range and roadway experiences.

For more information, visit [NorthwoodTech.edu](http://NorthwoodTech.edu) or contact us at **800.243.9482**
