↗A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

≠In addition to regularly scheduled classroom hours, this class also requires time Online. You will need to determine how to best schedule your online time.

◊This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

→Your Choice courses provide the flexibility of online with the advantage of access to live interaction with your instructor. In the Your Choice format, you may choose to attend classes On Site, Online Live, or completely Online. Classroom recordings from your instructor are made available for convenient, online viewing. There are deadlines for assignments & class collaboration, and student/teacher interactions are determined by you and your individual instructor.

|△The instructor for this class will be teaching from the Ashland campus.

•Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to <https://learningcommons.northwoodtech.edu/resources>

ΩThis class is offered on site and instructor location may vary. Your instructor may teach class to several locations at the same time. Attendance is required in a classroom.

√This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions). You will need to record your speeches in front of a live audience of four (audience members must be able to read and write to provide feedback). You can have a live virtual audience (e.g., via Facebook live) in order to follow safe-gathering guidelines. You will need a reliable recording device to record speeches and upload videos to YouTube.

ΔThis accelerated section starts later than others.

Please be advised that low enrollment class sections may be canceled.
