↗A combination of Online, On Site, and/or Online Live instruction is provided by your instructor and your attendance is required.

∞A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, is unpaid, and may vary in hours and length.

•Online course delivery requires you have access to a computer and reliable internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Tech go to https://learningcommons.northwoodtech.edu/resources

ΔThis accelerated section starts later than others.

ΩOnline course delivery requires you have access to a computer and the internet to receive instruction and participate in class activities. While there are no scheduled meeting times, you are responsible for meeting course deadlines as set by the instructor. For additional information about online resources available at Northwood Technical College go to https://learningcommons.northwoodtech.edu/resources. You are expected to engage in interactive assignments throughout the week and you will be asked to record speeches in front of a live audience for this class.

☸This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. You will need to regularly engage in the course throughout the week, with interactive assignments (such as a midweek discussion). You will also be expected to collaborate with classmates as part of a group project. Online students will need a webcam and a reliable audio recording device.

√This is an OER (Open Educational Resources) course, meaning you do not have to buy a textbook. Instead, you will use internet resources and documents posted in Blackboard. If you are taking the course online, you are expected to regularly engage in the course throughout the week, with interactive assignments (such as midweek discussions). You will need to record your speeches in front of a live audience of four (audience members must be able to read and write to provide feedback). You can have a live virtual audience (e.g., via Facebook live) in order to follow safe-gathering guidelines. You will need a reliable recording device to record speeches and upload videos to YouTube.

Please be advised that low enrollment class sections may be canceled.
