Vendors offering alternates shall submit, with their proposal, an itemized comparison to the RFP specification, documenting equivalence for dimensions, quality performance, etc. **Unless indicated otherwise**, Vendors may offer more than one alternate with required supporting documentation. Where certain brands or part numbers are specified, it is for illustration or to establish a standard for features and construction. **Unless indicated otherwise**, "or equivalents" are acceptable and allowed, and Vendors are encouraged to offer varying brands of "equivalent" items and supplies for Northwood Technical College's consideration.

8. DEVIATIONS FROM PROPOSAL SPECIFICATIONS

Any deviations from proposal item specifications must be clearly documented on the Qualified Vendor Certification Form. Northwood Technical College reserves the right to determine if any noted deviations or qualifying statements indicated in a Proposal are in the best interest of the college, and reserves the option to reject any proposal(s), all proposals, or a portion of a proposal(s), on that basis.

9. RIGHT TO AWARD ALL OR A PORTION

While Vendors are encouraged to quote as many or all of the items listed in this RFP, it is understood that not all items may be available from one Vendor source. Northwood Technical College will have the option to make “split awards” of the items to multiple Vendors or to award to multiple Vendors if it is determined in the best interest of the College. Vendors need to quote prices on a line item basis with the understanding that Northwood Technical College may only order partial items of what the Vendor quoted. If the Vendor can offer additionally discounted prices on the premise that it will receive the entire award, or an award of a select “family” of items, the Vendor should enumerate such additional pricing discount options for Northwood Technical College’s consideration on a separate page attached to their proposal response.

10. WITHDRAWAL OF PROPOSALS

Proposals may be withdrawn by written request received from the Vendor or an authorized representative thereof prior to the time fixed for opening of proposals, without prejudice to the right of the Vendor to file a new proposal. Withdrawn proposals will be returned unopened. Negligence on the part of the Vendor in preparing their proposal confers no right for withdrawal of the proposal after it has been opened.

Proposals may be held by Northwood Technical College for a period not to exceed ninety (90) days from the date of the opening of proposals for the purpose of reviewing the proposals and investigating the qualifications of the Vendors, prior to the awarding of the contract.

11. ACCEPTANCE/REJECTION

Northwood Technical College reserves the right to accept or reject any or all proposals, to waive any technicality or informality in any proposal submitted, and to accept any part of a proposal deemed to best serve the interests and needs of Northwood Technical College and said determination shall be final.

Northwood Technical College reserves the right to reject all proposals received and reissue the RFP if it is determined an adequate level of competition was not obtained, or if the specifications/terms did not allow for a sufficient level of competing proposals to be received, or if desired specifications, features, or standards were not, in the opinion of Northwood Technical College, acceptable.

Northwood Technical College reserves the right to reject a proposal if the evidence submitted by, or investigation of, the Vendor fails to satisfy Northwood Technical College that the Vendor is responsible and qualified to carry out the obligations of the contract or to complete the Statement of Work.

12. FIRM PROPOSALS

All proposals are to be firm for acceptance for a minimum of (90) days from opening and for the specified contract period. Any exception shall be fully noted. The purchase of the item(s) in this RFP is contingent on budget availability. The college may elect to not proceed with this project, or delay the project, or modify the conditions for this project, if so considered to be in the best interest of the college.

Northwood Technical College prefers to pay by Visa, if accepted. All proposed items or services are to be delivered tax exempt, FOB Destination – delivered and installed with freight cost included in the price or otherwise quoted on the Northwood Technical College Qualified Vendor Certification Form (if applicable). For this RFP, we understand a down payment will be necessary as well as other payments based on percent of completion of this project.

Northwood Technical College is a governmental entity exempt from sales taxes pursuant to Wisconsin Statutes, Section 77.54(9a). Taxes should be excluded in proposals to Northwood Technical College.

16. EVALUATION PROCEDURE, SCORING, AND EVALUATION POINTS

Northwood Technical College evaluates proposals submitted in response to RFP’s based on “best value” to the college using a formal process involving an evaluation committee led by Northwood Technical College employees. The Purchasing Department oversees the evaluation process to ensure it is objective and scoring is based on the requirements communicated to the Vendors in the RFP. Northwood Technical College shall be the sole judge in the subjective matters of a Vendor’s capability, experience, references, etc. as to what best meets the unique needs of Northwood Technical College. Unless a Vendor can cite a specific statute or administrative code being violated, the subjective judgement or scoring by the Northwood Technical College evaluators is not appealable.

17. EVALUATION CRITERIA

Proposals will be scored according to how well the Vendor responds to the following. Proposal evaluation points given by each evaluator will be summed and divided by the number of evaluators to compute an average performance score for each proposal. Technical College, to do presentations or clarify details of their proposals to Northwood Technical College staff. If an oral presentation/interview is required of selected finalists, it shall be at the Vendors' expense. However, an award may be made without discussion with the Vendors. Therefore, Vendors are cautioned that proposals should be submitted initially on the most favorable terms, from both a technical and cost standpoint. Unnecessarily elaborate brochures or other presentations beyond that required to present a complete and effective proposal are not desired.

19. BEST AND FINAL OFFER

At its sole discretion, Northwood Technical College may request Vendors to submit a Best and Final Offer (BAFO) for further clarification. BAFOs will be evaluated against criteria identified in #17 "Evaluation Criteria". There is no obligation on the part of Northwood Technical College to request a BAFO. Therefore, Vendors should always submit their best proposal with their original submission.

20. WARRANTY

Northwood Technical College requires the Vendor, not the manufacturer, to coordinate and resolve all issues with regard to the warranty of items. Northwood Technical College will not contact the manufacturer.

21. REFERENCES

Northwood Technical College may assign evaluation points based on comments and reviews of the Vendor's product and/or services as provided by references.

The Vendor certifies by signing the Qualified Vendor Certification Form that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal or state department or Vendor.

25. INDEMNIFICATION, ASSIGNMENT, AND SUBCONTRACT

The Vendor agrees to indemnify, defend and hold Northwood Technical College (including their respective officers, directors, employees, subcontractors and agents) harmless from and against any and all liabilities, damages, fines, expenses, penalties, costs, claims, demands and expenses (including costs of defense, settlement, and reasonable attorneys' fees) of whatever type or nature, including damage or destruction of any property, or injury (including death) to any person, arising out of or related to: (a) any act or omission by the Vendor, its agents, employees or subcontractors, (b) any claims or actions by the Vendors' employees, agents or subcontractors, or (c) the failure of the Vendor its employees, agents, or subcontractors to comply with this Contract or any applicable provincial, federal, state or local law, rule or regulation that affects the obligations of the Vendor under this Contract.

This file must be labeled “[Vendor Name] REDACTED RFP RESPONSE [RFP #].” This is the file that will be submitted to requestors for open records requests. The Vendor should be aware that Northwood Technical College may need to electronically send the redacted materials to members of the public or Vendors when responding appropriately to records requests. Northwood Technical College is not responsible for checking that redactions, when viewed on-screen via electronic file, cannot be thwarted. Northwood Technical College is not responsible for responding to records requests via printed hard copy, even if redactions are only effective on printed hard copy. Northwood Technical College is not responsible if the redacted file the Vendor provides does not adequately protect the information when the redacted file is copied and pasted, uploaded, emailed, and/or transferred via any electronics means.

Proprietary information submitted will be handled in accordance with appropriate procurement regulations and Wisconsin Public Records law. Note: The Wisconsin Public Records law classifies most correspondence with a governmental entity such as Northwood Technical College and member Colleges, as open and available for public inspection. SECTION VIII – COOPERATIVE PURCHASING AGREEMENT – Optional

Wisconsin statutes establish authority to allow Wisconsin municipalities to participate in cooperative purchasing when the contractors agree to extend their terms to them. Participating in the service gives vendors opportunities for additional sales without additional bidding. Please be aware that your participation is voluntary. Municipalities use the service to expedite purchases. A “municipality” is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.). Interested municipalities will contact the contractor directly to place orders and are responsible for receipt, acceptance and inspection of goods directly from the contractor, and making payment directly to the contractor. Northwood Technical College in serving as the lead agency initiating this cooperative purchasing program on behalf of other Municipalities, is not party to any disputes arising from purchases made by other municipalities, and is not liable for delivery or payment purchases made by other municipalities.

I Agree to make the products or services of this bid/proposal, as priced, for the period from _____ to _____ available to:

Wisconsin Municipalities (check all that apply):

- Wisconsin Technical Colleges
- University of Wisconsin System
- Wisconsin K – 12 Schools
- Wisconsin Municipalities (Non Educational) – please specify _____
- Within a certain region/section of the state – please specify _____

Indicate here if you would be willing to offer a discount to other public agencies that would “piggyback” and purchase additional items from your firm if a contract is awarded by Northwood Technical College to your firm (ie: other public agencies “piggybacking” a competitively awarded contract rather than needing to issue their own RFP):

- ___ % Discount if a second item/system is purchased or a second public agency purchases from the awarded contract.
- ___ % Discount if a third item/system is purchased or a third public agency purchases from the awarded contract.
- ___ % Discount if a fourth item/system is purchased or a fourth public agency purchases from the awarded contract.

By what date would other public agencies need to make a purchase from your firm before the price break policy expires:

Note in your proposal any special conditions or provisions.

Indicate here if you agree that should a system-wide agreement be executed between the awarded Vendor and the Wisconsin Technical College System (WTCS), or any public cooperative contract agreement that the WTCS is authorized to utilize such as MICTA, NJPA, Federal GSA, etc., Northwood Technical College shall have the option, when such lower price

I Do Not Agree to make the products/services of this bid/proposal available to Wisconsin Municipalities
