(print name)

all the above documents on or before the due date, I will be ineligible to attend clinical or simulation activities and may be withdrawn from a clinical course. If Clinician Nexus rejects any of my documentation, I will have until the "corrections due" date to correct the problem and upload it to Clinician Nexus's website. All corrected and updated documentation must be completed by the "corrections due" deadline or I will be ineligible to attend clinical or simulation activities and potentially need to withdraw from a clinical course. I also understand that per college policy, Northwood Tech email is the primary means of communication and that I am responsible for frequently monitoring my Northwood Tech student email for any communication from my instructors and program coordinator. I understand that some of my information related to clinical requirements may be shared with coordinators at clinical sites, where I will participate in clinical, upon their request.
