NORTHWOOD TECH Continuing Education

PROFESSIONAL DEVELOPMENT / LIFE & LEISURE

Welcome to Northwood Tech's Fall 2024 Continuing Education catalog. Inside you will find a variety of informative and exciting Professional Development and Life & Leisure courses, designed to enhance your learning experience. Courses are offered in a variety of instructional formats, including:

On Site

These courses are offered in person at a variety of campus locations throughout the district, providing face to face instruction and interaction with the instructor.

Online Live

These courses are offered during a specific time period that can be accessed from your home or office computer or tablet using free web-conferencing software. You will receive log-in information about 1 - 3 days prior to class through the email address you provide when you register. Your computer must have a reliable internet connection, microphone and camera. You can interact with the teacher during the class.

Online

These courses are offered via the Internet and accessed by using a web browser. You can access the course at any time. Offline supervised tests/exams at specified sites may be conducted in conjunction with these courses.

It's Easy to Register! ONLINE | PHONE | MAIL

For complete registration information, please see [page 18](#).

CE Real Estate

Mod 1 - Agency

47-194-496

This course covers agency. Topics include creating agency, the difference between a client and a customer, an agent's fiduciary duties, sub-agency, pre-agency, disciplinary actions by the DSPS, and anti-trust issues including how licensees have violated anti-trust rules. The course also includes some case studies of anti-trust violations and a discussion of referrals. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65359 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

Learn road rules, vehicle control, and gain vital emergency preparedness skills in our Driver's Education program. | **Pg 17**

Mod 2 - Inspection

47-194-496

This course covers the gamut of inspections. Topics include differences between testing and inspecting, who is authorized to conduct inspections, what constitutes an adequate and acceptable inspection, what happens when a defect is discovered, and financing and appraisal contingencies. Students are introduced to terms such as letter of unacceptability, loan commitment, satisfaction of loan contingency, and mortgage factor. Other topics involve seller financing, the "Not subject to financing" clause of the Residential Offer to Purchase, appraisal contingency and how a licensee will handle a situation where the property does not appraise at the selling price, the area of buyer and seller default, various remedies such as liquidated damages, specific performance, actual damages, the disbursement of earnest money, the use of the WB-45, and Cancellation Agreement. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65500 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

Mod 3 - Revised Forms

47-194-496

This course covers changes in the following forms: WB-44 – Counter Offer, WB-24 – Option to Purchase, WB-40 – Amendment to the Offer, WB-41 – Notice Form, and WB-45 – Cancellation Agreement. Homeowner’s associations are growing in popularity and we review their powers and recent law changes governing what they can and cannot do. Recent changes in the 40-year easement law have made easements for ingress and egress perpetual. The recent law change is outlined. Equity theft is the practice of government bodies taking land for taxes and keeping the equity. A new law is discussed pertaining to this practice. Marketing is discussed, including deceptive advertising, NAR Code of Ethics stand on advertising, MLS rules on withholding listings, and open house rules and responsibilities. The violation of fair housing rules through advertising is also discussed. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65501 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

Mod 4 - Protected Classes

47-194-496

This course covers protected classes, prohibited practices under fair housing rules, and implied bias. Cooperation is a requirement when working with other agents. It is in the seller’s and buyer’s best interest when real estate agents cooperate. Topics also include the presentation of offers, confidentiality of offers, open house and showing responsibilities, and areas of required disclosures by the seller, the buyer, and the agent. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65505 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

Mod 5 - Vacant Land Offer

47-194-496

This course covers areas of the Vacant Land Offer to Purchase including proposed use contingency, government programs, and shoreland zoning rules. We review the use of the WB-44 – Counter Offer and the WB-46 – Multiple Counter Offer. Topics also include the importance of checking the addenda box on the Offer to Purchase, the closing of the buyer’s property contingency, the bump clause, and the use of secondary offers. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65508 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

Mod 6 - Short Sales

47-194-496

This course covers short sales and foreclosures. Issues relating to listing and writing offers on short-sale properties and foreclosure properties are discussed. Topics also include personal property versus fixtures, contingency drafting, and the relationships between the buyer and the selling agent. A complete discussion of “As is” sales along with the waiving or not including contingencies in an Offer, and compensation and self-dealing rounds out this course. Please note that regardless of the date you sign up, you must complete your required CE by December 14, 2024.

65509 Aug 26-Dec 14 24/7 \$29/\$14.05
Online Ron Nyhus

First-Time Home Ownership | Pg 11

Gain practical skills, ensuring you make informed decisions throughout the home-buying process.

Real Estate

Real Estate Law for Salesperson

47-194-497

This course meets the 72 classroom hours of pre-license education required for a real estate salesperson's license as required in Section 452.09(2)(a) of the Wisconsin Statutes. Completing this course will prepare you for the WI Real Estate license exam. Contents include principles of real estate, real estate law, forms, real estate business operations concepts, ethics, land use control and development, environmental concerns, and miscellaneous additional content. You will have one year to complete this course. Please note that regardless of the date you sign up, you will need to complete by May 31, 2025. If you are signing up closer to that date, consider waiting for the next session of classes. Upon registration, you will receive a password to enter the online REI course and will then receive your textbook and forms book via US Mail. To register, email Sara.Dobberschutz@Northwoodtech.edu. *This class is non-refundable.

COMPUTERS & TECHNOLOGY

Broadband

Broadband Cable Installation 201

47-451-457

The student will design and install network cabling. The focus will be to understand voice and data networking. The basic cable installer will be able to build and administrate the physical layer of network infrastructure and gain a deeper understanding of the networking devices that this layer interconnects. Contact Dan.Schullo@NorthwoodTech.edu before registering. *Prerequisite: Successful completion of Telco 101 or current employment by a telecommunications company.*

64924	Aug 26-Dec 16	24/7	\$504.75/\$56.25
	Online		Paul Kostner

Broadband Fiber Service 101

47-451-454

This course is an introduction to the evolution of fiber optics. Students will be introduced to the physical characteristics of cable and the transmission of light through fiber optic cable. Students will view basic installation and troubleshooting methods while being introduced to industry color codes, print reading, system maps and a variety of fiber optic services. Contact Dan.Schullo@NorthwoodTech.edu before registering. *Prerequisite for Fiber 201.*

64920	Aug 26-Dec 16	24/7	\$168.25/\$18.75
	Online		Trent Givens

Broadband Fiber Service 201

47-451-456

This course will introduce the students to fiber optic communication systems. Topics covered include fiber optic design, installation, test and maintenance for multimode and singlemode networks. This class will benefit those with little or no fiber experience. Contact Dan.Schullo@NorthwoodTech.edu before registering. *Prerequisite: Successful completion of Fiber Service 101 or current employment by a telecommunications company.*

64923	Aug 26-Dec 16	24/7	\$504.75/\$56.25
	Online		Paul Kostner

Broadband Internet Service 101

47-451-452

This course is an introduction to the evolution of Internet services. Students will be introduced to the different types of broadband Internet delivery methods, installation and troubleshooting methods, Internet transmission types, safety issues, government regulatory services, the "Internet of Things" (IoT) and future trends. Contact Dan.Schullo@NorthwoodTech.edu before registering.

Hatha Yoga

60-807-628

Hatha Yoga is a very gentle style of yoga that combines stretching (postures) with breathwork and meditation to connect you to all parts of yourself. A few benefits include improved flexibility, mobility, strength, circulation, relaxation, balance, and energy. Yoga helps bring awareness and trust to your body, calmness to your restless mind, and joy to your spirit. Please bring your mat, a blanket, two yoga blocks, and a 6-8 foot strap. Please check with your physician before starting this or any other exercise class. This class is online using MS Teams. You will need reliable internet service, a microphone, and a camera. Register for this class via our new Continuing Education online registration system at bit.ly/northwoodtech_yoga

Yin Yoga NEW!

60-807-628

Yin Yoga is different from more energetic yoga styles. Instead of generating heat and strength through movement, Yin Yoga emphasizes gentle stretches that are held for longer periods. These stretches specifically target the deeper connective tissues of the body, encouraging relaxation and mindfulness. Practicing Yin Yoga can result in numerous benefits, including increased flexibility, reduced stress, and improved sleep quality. You will need household items such as blankets and pillows for props. Register for this class via our new Continuing Education online registration system at bit.ly/northwoodtech_yoga

Emergency Medical Services

ASHI Pediatric 1st Aid/CPR Renewal

47-531-417

ASHI Pediatric CPR, AED, and First Aid training program provides an ideal training solution for schools, child care providers, youth sports coaches, and others required to learn how to respond to medical emergencies involving children. This versatile program is based upon the 2015 CPR and First Aid Guidelines, Caring for Our Children, 3rd Ed; and other evidence-based treatment recommendations.

ASHI Pediatric 1st Aid and CPR

47-531-420

This course will help students gain the knowledge, skills and confidence necessary to respond to and manage medical emergencies involving children and infants until more advanced help is available. A student will be taught the updated guidelines of CPR, and an automated external de-

fibrillator (AED), and first aid for children and infants. This course will certify a student for 2 years in CPR/AED/First Aid. Students will have the option to download a book from the internet after successful completion of the course.

BLS Basic Life Support

47-531-437

The BLS Basic Life Support Course is designed to teach the skills of CPR for victims of all ages including ventilation with a barrier device and use of an automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a hospital setting and out-of-hospital settings. This course is for anyone that is required to take a health care provider course for employment. All participants who successfully complete the course, including the written examination and skill demonstrations will receive a BLS Basic Life Support provider completion card that will certify them for two years (credential.) Book provided at class.

Traffic Safety

Traffic Safety for Point Reduction

42-812-404

Participants of the Traffic Safety course will examine their driving behavior and review traffic laws and penalties. Emphasis will be placed on ways to drive responsibly. The Traffic Safety class will show participants how to develop a change plan to reduce their risk of traffic violations and crashes. Students who successfully complete this Traffic Safety class may be eligible to receive a three-point reduction from their driving record. This class also meets the requirements for anyone that has received a "Failure to Yield Right of Way Violation" 2011 Wisconsin Act 173-346.18.

REGISTRATION POLICIES

Nondiscrimination Notice

Northwood Technical College does not discriminate on the basis of race, color, ancestry, religion, sex, service in the uniformed services, veteran status, national origin, age, disability, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, AA/EEO Officer/Title IX Coordinator/Associate Vice President of Talent and Culture. 1900 College Drive Rice Lake, WI 54868, 715.645.7042. Wisconsin Relay System TTY:711. Amanda.Gohde@NorthwoodTech.edu

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, A/EEO Officer/Title IX Coordinator/Associate Vice President of Talent & Culture at 715.645.7042, 30 days in advance of needed assistance.

Senior Fees

Northwood Technical College has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Students age must be 62 plus at the start of the term. Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$5 for many courses.

MOTORCYCLE SAFETY CLASSES

Ready to ride? Whether you're a brand new rider or have years of experience, motorcycle safety courses at Northwood Tech will teach you safe techniques for riding a motorcycle. Enroll in Motorcycle Basic Rider, Motorcycle Experienced Rider (BRC2), or 3 Wheel Basic Rider courses.

KEEP ON TRUCKIN' **Truck Driving | Class B | CDL Permit Prep**

Take the wheel! There's a high demand for professional truck drivers. Northwood Tech can help you earn your commercial driver's license. Professional truck drivers are responsible for the safe, efficient delivery of goods between locations. Spend time behind the wheel learning how to maneuver trucks in a variety of real-world scenarios. You will develop backing and driving skills through classroom, lab, range and roadway experiences.
