

Pre-Assignment for Level II Fieldwork

By determined date, students will provide the Fieldwork lab instructor with two of the following error-free documents (one for each fieldwork placement):

- An individualized "Letter of Introduction" and
- An individualized "Student Profile"

The "Letter of Introduction" is intended to confirm dates and times for each Level II placement.

These letters and profiles should be individualized to reflect the student and their fieldwork experience.

Once approved by your fieldwork lab instructor, you will email a final copy of these documents to your fieldwork educators one month before your start date. For you to participate in Level II Fieldwork, these documents must be approved and submitted.

See samples on pages 2 and 3.

Dear *(insert fieldwork educator's name and credentials)*:

My name is *(insert your name here)* and I would like to thank you for accepting me as a Northwood Technical College Occupational Therapy Assistant Level II Fieldwork student at your facility for eight weeks. Attached is my student profile, which has information about me, but if you have any other questions, please ask.

I am scheduled to begin my fieldwork rotation at your facility on *(insert date here)*, but if necessary, I can arrange to visit beforehand. Following this letter, I will be in touch via phone or email to ensure all preparations are in place prior to my arrival. Rest assured, I will arrive equipped with all necessary paperwork and health information on my first day.

Again, I thank you for having me as a student and I look forward to talking to you very soon.

Sincerely,

(Insert your name and signature here)
