

**ARTICULATION AGREEMENT  
for transfer of credits between  
The University of Wisconsin-Superior  
Bachelor of Science Degree in Accounting  
and the  
Northwood Technical College  
Accounting Associate of Applied Science Degree**

Effective Dates: January 2024-December 2030

Review Date: June 2030

***Introduction and Rationale:***

The University of Wisconsin-Superior maintains an educational partnership with Wisconsin State Colleges and Universities to provide opportunities for students to enter bachelor's degree completion programs. In the interest of fostering cooperation between our institutions, and to better serve the transfer of students from Northwood Technical College to the University of Wisconsin-Superior, the faculty and administration of our institutions have established this articulation agreement.

This Agreement specifies the transfer of credit from the Northwood Technical College Associate Degree named above to the UW-S Bachelor's Degree named above in recognition that the Northwood Tech program prepares students for admission to this Bachelor's degree program. The underlying assumption for this Agreement is that the college provides a foundation of occupational courses and the University provides the upper-level courses required within the Bachelor's degree program.

Northwood Tech students who successfully complete the Accounting Associate of Applied Science degree wishing to transfer to the University of Wisconsin-Superior will be awarded the following credits toward a B.S. Degree in Accounting.

## Northwood Tech Program

## UW-Superior Program

course #	course title	Cr		course #	course title	cr. granted
<b>Major and General Studies Courses</b>						
10101101	Financial Accounting 1	4		ACCT 200	Financial Accounting	3 <sup>1</sup>

		60				60

<sup>1</sup> Financial Accounting I will only transfer as ACCT 200 if both it and Financial Accounting II are taken.

**Requirements:**

Students from Northwood Tech must have completed the above-named Associate of Applied Science Degree program with a cumulative grade point average of at least 2.3/4.0 for consideration for transfer under the terms of this document. Students must complete the following courses or their equivalents with a grade point average of at least 2.0 with no grade lower than C-: ACCT 200, 201; BUS 270; ECON 250, 251.

Northwood Tech general studies/breadth courses in communications, humanities, social sciences, mathematics and natural science may transfer in to fulfill UW-Superior general education requirements in these areas. All UW-Superior general education core and knowledge category requirements not met by transfer credits must be completed.

Students must complete both BUS 270 Business Statistics and MATH 151 Business Calculus or their equivalents.

Students may satisfy UWS' Diversity and Non-Western requirements (3 credits each) by taking qualifying General Education courses.

Elective courses taken at Northwood Tech which are not listed in this agreement will be reviewed by the faculty of the UW-Superior degree program named above on a case by case basis

A minimum of 120 total credits are required to complete a bachelor's degree at UW-Superior; 66 credits within the major are required to complete the comprehensive degree named above.

A minimum of 30 credits must be earned at UW-Superior in order to be awarded a degree from UW-Superior.

Students must maintain a 2.0/4.0 grade point average in upper division courses to be eligible for the bachelor's degree named above.

Students are required to complete a final project (Senior Experience) to fulfill graduation requirements for the bachelor's degree named above.

**Degree Requirements:** In order to be awarded a degree from UW-Superior, students are required to earn:

- 120 total credits to complete the bachelor's degree named above,
- at least 30 credits at UW-Superior,
- at least 36 credits in upper-division courses (300-400 level), and
- their final 12 credits at UW-Superior.

***Conditions:***

The terms of this degree completion agreement apply only for the purposes of entry to the Bachelor of Science Degree in Accounting at the University of Wisconsin-Superior.

Credits will be awarded only to students who complete a bachelor's degree at UW-Superior in the degree indicated in this agreement.

Northwood Tech students seeking admission to other degree programs offered at UW-Superior may transfer to the University only those credits recognized by the desired program of entry.

This agreement is limited to University requirements for completion of a Bachelor's degree only. Students seeking certification for licensure in particular fields must complete any additional requirements for such certification.

The transferability of credits as put forth within this articulation agreement is advisory. Students who matriculate to UW-Superior are subject to the degree requirements in effect in the students' catalog of entry at UW-Superior.

Information about the Department of Business and Economics is available from the following website: <https://www.uwsuper.edu/program/business/>

Students interested in becoming Certified Public Accountants will have additional requirements, including the requirement of completing at least 150 credit hours. See an accounting advisor for details.
