for more information

Program Requirements

Please allow enough time to study the manual and/or complete the CDL Permit Prep course prior to taking the permit tests.

Northwood Tech offers CDL Permit Prep courses!

Must meet and/or provide the first day of class:

- 18 years of age or older
- Verification of valid driver's license
- Verification of DOT physical exam and NMCSA Pre-Employment drug test
Health care providers and many chiropractors can provide this exam. Students should state that they are in need of a DOT physical exam when making the appointment.
- Copy of CDL Class A permit with air brakes
To obtain a permit, students need to pass three written tests at their nearest Wisconsin Department of Transportation office. Although there is no fee to take the tests, there is an additional fee for the CDL Permit. The test includes:
 1. General Knowledge
 2. Air Brakes
 3. Combination Vehicles
- Meet all Federal Motor Carrier Safety Regulations (FMCSR) requirements
Visit www.fmcsa.dot.gov/regulations/title49/b/5/3. Refer to Subpart E: 391.41 Physical Qualifications for drivers.

Northwood Technical College is a registered training provider in the Federal Motor Carrier Safety Administration's (FMCSA) Training Provider Registry (TPR). We provide theory, range, and behind-the-wheel training which meets new Entry-Level Driver Training (ELDT) regulations. Updates on options for online and in-person training for CDL endorsements can be found on our website.

Truck Driving

CDL Class A and Class B Resources

Northwood Technical College offers an online CDL Permit Prep course each term to help you prepare for your permit tests. Students are also encouraged to utilize the Academic Support Center for testing preparation.

Qualified DOT Physical Sites

New Richmond:

Brown Chiropractic
Dr. Donald Brown
715.246.2110

New Richmond Clinic
Dr. David O Degear
715.243.3400

Rice Lake:

Mayo Clinic Health System
715.236.8500

CDL Permits

To obtain a Commercial Learner Permit (CLP), you will need to pass written tests at a Wisconsin Department of Transportation office. The CLP costs \$30. There is no cost to take the permit tests.

The test includes:

1. General Knowledge–5 attempts
2. Air Brakes–5 attempts
3. Combination Vehicles–5 attempts (Not required for Class B)

Do not use all 5 attempts before contacting a Northwood Tech instructor or you will have to wait one calendar year to retake.

Tests can be taken individually by section. 80% minimum CLP is good for 6 months/180 days. Please refer to the manual to study for the test at wisconsin.gov/Pages/dmv/com-drv-vehs/cdl-how-apply/cdl-manual.aspx.

DOT Physical and Drug Test

- Find certified Medical Examiners at www.fmcsa.dot.gov/national-registry-certified-medical-examiners-search
- When making an appointment, state that you are in need of a DOT physical exam and Pre-Employment drug screening. Bring personal identification.
