

## WAICU - WTCS COURSE CREDIT TRANSFER AGREEMENT - Associate Degree Level General Studies Courses - Transfer Guide

This transfer guide was developed upon the Course Credit Transfer Agreement made by and between the Wisconsin Association of Independent Colleges and Universities (WAICU) and the Wisconsin Technical College System (WTCS). This agreement was developed to show how WTCS student could transfer credits to a WAICU member. This transfer guide specifically details how Northwood Tech students could transfer credits to Marian University.

In order for these courses to transfer, the Northwood Tech student must have completed the course(s) within the last ten (10) academic years from the date the student is admitted to a WTCS district campus (Northwood Tech). A minimum grade of "C" (2.0 on a 4.0 scale) or better for the course(s) to transfer is required, unless published by Marian University (WAICU Member Participant). Marian University will accept a WTCS institution "Pass" or "Credit" for transfer as long as "Pass" equals a "C" or higher and the scale is annotated on the student transcript. Marian University will publish any higher standards and the programs to which these higher standards apply. The student must meet the Marian University admission requirements. Students are responsible for confirming that courses transfer to their intended major.

This transfer guide is active for the 2020-2021 and 2021-2022 academic year.

The WAICU - WTCS Course Credit Transfer Agreement was approved July 2020 and will be reviewed annually
